Having gone through the charge-sheet and the material collected by the IO during the investigation, it is evident that the IO has recovered certain amount from the co-accused and also the gold and thereby secured the amount as well as gold which was paid to the accused persons and given possession of the same.

4. Considering the period of incarceration and the fact that the charge-sheet has been filed, though the learned APP and the learned counsel for the complainant are opposing the present application.
