3. As per the prosecution case, the Applicant is a teacher in the School where the victim was enrolled. The Applicant is aged around 43 years and the victim is aged around 14 years and is in the 8th standard. The Applicant was the victim's 'class teacher' and was teaching English language. From 20th December 2022 onwards till lodging of F.I.R. i.e. till 8th January 2023, the Applicant sent several indecent messages to the victim.

4. It is the allegation in the complaint that the Applicant used to contact the victim via phone call every day about 2 to 4 times, and he was talking with her in an indecent language. Ultimately, on 8th January 2023 he called the victim on cellphone on about 9 occasions and as the victim did not answer his phone calls, he sent threatening message that he would kill himself if she did not speak with him. Therefore, ultimately the victim informed about the same to her parents and thereafter the F.I.R. was lodged on 8th January 2023.

5. The factual position on record as reflected from various statements recorded, clearly shows that a teacher aged 43 years was sexually harassing the victim aged 14 years. The offence is

7. In view of above, this is not a fit case for grant of bail. The Bail Application is rejected and disposed of accordingly.
