2. By this application under Section 439 of the Code of Criminal Procedure the applicant is seeking bail in Crime No.634 of 2023 registered with Juna Rajawada Police Station, Kolhapur, for the offences punishable under Section 302 of the Indian Penal Code.

dire consequences if he continues to have relations with the wife of deceased. On the date of incident both the Applicant and the deceased were on different motorcycles and there were exchange of hot words and thereafter the alleged incidence took place. It is to be noted that the Applicant himself went to the police station and reported the matter. The version of Applicant and the version of eye witnesses is similar that there was exchange of hot words and out of that the incidence took place.

4. In view of the above referred observations I am of the opinion that since charge sheet has been filed, further custody of the Applicant is not necessary as there is no possibility that the Applicant would not be available for trial. In the circumstances though learned APP is strongly opposing present application, the application is allowed.
