The applicant who is accused No.3, is one of the persons who took the victim to the police station. On the basis of the CCTV footage recorded at the police station and the identification parade, the applicant was identified as one of the accused.

4. Learned APP opposed the application and submitted that the offence is serious and one person had died in the assault and the other victim was seriously injured. It is submitted that the applicant has been identified and therefore, this application should be rejected.
