1. Review is sought of an order dated 27th June 2019 passed by the Division Bench of which one of us (GS Patel J) was a member. By that order, the Division Bench held that it was undisputed that the Petitioner had filed a first appeal against the assessment by the First Appellate Authority under the Maharashtra Provincial Municipal Corporations Act, 1949. Now Review is sought on the

ground given in paragraph 11 of the Review Petition that the Court was not apprised of the correct facts (by the Petitioner) and that it was inadvertently not communicated that the amount deposited was a pre-deposit. The submission in the Review Petition is that the Appeal was dismissed on alleged wrong application of law. This is no ground for interference under Section 114 or Order 47 of the Code of Civil Procedure, 1908

2. The Review Petition is rejected. The Civil Application will not survive and is disposed of.
