Mr. Santosh Deshpande , for the Applicant.

Mr. Y.M. Nakhwa, APP, for the Respondent/State.

Mr. B.K. Desai, PSI, Samta Nagar police station.

CORAM : N. J. JAMADAR, J.

DATE : JANUARY 29, 2024

P.C.:

1. Heard the learned counsel for the applicant and the learned APP for the State.

2. The applicant, who is arraigned in C.R. No.1134 of 2022 registered with Samta Nagar police station for the offences punishable under sections 120-B and 302, 141, 143, 144, 147, 148 and 149 read with 34 of Indian Penal Code, 1860; and section 37(1) (3) read with 135 of Maharashtra Police Act, seeks to be enlarged on bail.

3. Dipak Rajbhar was the brother of the first informant Dilipkumar Rajbhar. On the night intervening 24th and 25th July, 2022, Dipak (the deceased) had gone to see off his friend Taufiq to Borivali railway station. He did not return home till the morning of 25th July, 2022. At about 8.00 am the first informant was apprised that the deceased was lying unconscious in a pool of blood near

Hanuman Temple, Gaondevi Road, Poisar. The first informant found that there were multiple injuries on the person of the deceased by deadly weapons.

4. The first informant alleged that on 14th July, 2022 there was a quarrel between the first informant, deceased and his friends, on the one part, and Dipak and his associates, on the other part. Cross cases were registered at police station. Co-accused Dipak and his associates including the applicant had vowed to take revenge. The first informant suspected that the deceased was killed by Dipak and his associates.

5. During the course of investigation, it transpired that images recorded in the CCTV indicated that a number of persons allegedly participated in a murderous assault on the deceased. Two of the police constables namely Mohd Iqbal Shaikh and Amol Kamble identified the persons who had allegedly assaulted the deceased by diverse weapons. The witnesses stated that the 11th person seen in the footages was the applicant Aaditya Choube.

6. The applicant came to be arrested. Clothes which the applicant wore at the time of the alleged occurrence were seized.

7. The learned counsel for the applicant submitted that apart from the aforesaid statement of the police constables, who professed to identify the applicant on the basis of images in the

CCTV footages, there is no material to connect the applicant with the alleged offence. The CCTV footages do not indicate that the applicant had participated in the assault in any manner whatsoever. At best, the presence of the applicant is shown.

8. The learned APP resisted the prayer for bail. It was submitted that the applicant was very much present at the time of the alleged occurrence.

9. I have perused the report under section 173 of the Code and the documents annexed with it. The statements of the above named witnesses indicate that after viewing the CCTV footages, they have attributed the roles to the persons, whom they claimed to have known, of assault upon the deceased. The witnesses have simply named the applicant as the person who was seen in the CCTV footage. At this stage, there does not appear any material to prima facie connect the applicant with the alleged offence. The statement of above named witnesses indicate that other persons had also gathered at the place of occurrence and one of the assailants was seen shooing away those persons.

10. In the circumstances, whether the applicant was a member of the alleged unlawful assembly in prosecution of the common object of which the offences were committed, would be a matter for adjudication at the trial. In the aforesaid view of the matter and the

fact that the applicant has been in custody since 26th July, 2022 further detention of the applicant appears to be unwarranted. I am, therefore, inclined to exercise the discretion in favour of the applicant.

Hence, the following order.

ORDER

- 2] The applicant be released on bail in C.R. No.1134 of 2022 registered with Santa Nagar police station, on furnishing a P.R. Bond of Rs. 30,000/- with one or more sureties in the like amount.
