WRIT PETITION NO.18475 OF 2024

Asian Measuring Systems

....Petitioner

Vs.

The Maharashtra Industrial
Development Corporation & Ors.

....Respondents

Mr. A. Karim Pathan for the Petitioner.

**CORAM : RAVINDRA V. GHUGE &
ASHWIN D. BHOBE, JJ.**

DATE : 10th DECEMBER, 2024

P.C. :-

1. Considering the statements of the learned Advocate, made on instructions from the Petitioner, we were constrained to pass this order on the circulation note.

2. While moving a circulation motion at 10.30 am., Mr. A. Karim Pathan, the learned Advocate for the Petitioner, on instructions from the Petitioner, attempted to mislead the Court by

stating that the possession of the industrial plot is still with the Petitioner and business is continued on the said plot. When we called upon him to state whether any notice has been issued by MIDC, he submits that the notice dated 7th December, 2024 has been received by him. When we called upon him to read the notice, it was revealed that the Petitioner had already lost the possession of the plot and the same is already allotted to another establishment. The allottee has not even been arrayed as a Respondent.

3. Leave to add the allottee as a Respondent. Addition be carried out within 10 days.

4. List the Writ Petition in the fresh admissions category, **on first day after vacation i.e. 2nd January, 2025.**
