**CORAM : N.R. BORKAR &
SOMASEKHAR SUNDARESAN, JJ.**

**DATE : MAY 30, 2024
[VACATION COURT]**

P. C.

1. After hearing the Learned Senior Counsel for the Applicant for some time, it appears to us that to adjust equities between the parties, the status-quo on the site as obtaining today is required to be maintained until the matter is heard by the regular Bench.

2. The Learned Counsel for the Respondents states that he has instructions to submit to the Court that most of the dismantling of the plant and machinery has already been undertaken.
3. Learned Senior Counsel for the Applicant submits that such a statement would be patently incorrect, since evidently, photographs taken as of yesterday would suggest that it would take far longer for completing the dismantling of the plant and machinery at the site.
4. In these circumstances, we direct that status-quo as obtaining this morning shall be continued.
5. Stand over to 13th June, 2024, for consideration by the regular Bench.
6. We make it clear that nothing contained in this order should be considered to be an expression on the merits of the case or the relative strengths or otherwise, of either parties.
7. All parties to act on a copy of this order as may be downloaded from the official website of this Court.
