**P.C:-**

1. As directed, the corpus is present before us. We inquire with her whether she had solemnized the marriage with the Petitioner and she accept that as per the Muslim customs and rituals, the marriage was solemnized on 02.05.2024. She also do not deny that for six months she continued to stay with him but thereafter she decided to walk on him and left his house. She inform us that presently she is residing with her parents and do not desire to stay in his company, as she do not want to continue the relationship with him.

2. In the wake of her statement, since the Petition has served its purpose as the Petitioner sought production of his wife, the same is disposed off.
