

the investigation. After going through the injury certificate it shows that there were three injuries and all are stab injuries. Whereas, in the complaint there was no mention about the use of weapon during the assault. In the complaint there is a mention that the accused persons assaulted the informant by fist and blows and by stone by accused no.2

4. Thus, though the injuries are serious in nature. However, it creates doubt about the prosecution story as stated hereinabove.

5. In that view of the matter and further since the charge-sheet has been filed, I am of the opinion that further custody of the applicant is not necessary.

6. As far as antecedents are concerned, there are 3 antecedents. One is of 2015 and another is of 2018. So far as third antecedent is concerned, it is of 2023, under section 279 of IPC. Except the present one there is no common offence with the syndicate.

7. In the circumstances, though the learned APP is strongly opposing the present application, I am of the view that, this is a fit case for grant of bail. Hence, I pass the following order:
