

granted bail.

4. Having considered the charge-sheet and the material collected by the IO, it is evident that in the post-mortem report 35 injuries were found on the person of the deceased. Even considering the allegations made in the FIR, it is evident that he gave blow by the weapon on the head of the deceased repeatedly. Thus number of injuries and the role attributed to the applicant do not indicate that there was no intention as argued by the learned counsel for the applicant.

5. Since there are eye-witnesses and considering the seriousness of the offence, I am not inclined to grant bail. Accordingly, it is rejected.
