3. We have also perused the consent terms and we do not find anything there which could be said to oppose public policy. The consent terms are intended to bind only the signatories and not the other Respondents. In fact, the consent terms state that the Petition is being withdrawn who are Respondent Nos. 1, 2 and 3, i.e., statutory authorities.

4. Accordingly, these consent terms are accepted and based upon the same, this Petition is disposed of. The statements and undertakings in this consent terms are accepted as undertakings to this Court.

5. A soft copy of the consent terms will be uploaded as the second order in this matter.
