CORAM : ANIL L. PANSARE J.

DATED : 29-02-2024

On 16-2-2024, following order was passed.

*“Learned counsel for the petitioner seeks
time to take instructions as to whether the
petition is required to be transferred to the
National Company Law Tribunal (NCLT), Mumbai
in terms of the judgment in the case of **Action
Ispat and Power Pvt. Ltd. Vs. Shyam Metalics and
Energy Ltd. [(2021) 2 SCC 641]**.*

Stand over to 29-2-2024.”

2. Learned counsel for the petitioner, on
instructions, makes a request to transfer the petition
to NCLT, Mumbai in terms of the judgment in the case
of **Action Ispat and Power Pvt. Ltd. Vs. Shyam
Metalics and Energy Ltd. [(2021) 2 SCC 641]** wherein
the Supreme Court has held in paragraph no. 25 as
under.

*“25. Given the aforesaid scheme of winding up
under Chapter XX of the Companies Act, 2013, it is*

clear that several stages are contemplated, with the Tribunal retaining the power to control the proceedings in a winding up petition even after it is admitted. Thus, in a winding up proceeding where the petition has not been served in terms of Rule 26 of the Companies (Court) Rules, 1959 at a pre-admission stage, given the beneficial result of the application of the Code, such winding up proceeding is compulsorily transferable to NCLT to be resolved under the Code. Even post issue of notice and pre admission, the same result would ensue. However, post admission of a winding up petition and after the assets of the company sought to be wound up become in custodia legis and are taken over by the Company Liquidator, section 290 of the Companies Act, 2013 would indicate that the Company Liquidator may carry on the business of the company, so far as may be necessary, for the beneficial winding up of the company, and may even sell the company as a going concern. So long as no actual sales of the immovable or movable properties have taken place, nothing irreversible is done which would warrant a Company Court staying its hands on a transfer application made to it by a creditor or any party to the proceedings. It is only where the winding up proceedings have reached a stage where it would be irreversible, making it impossible to set the clock back that the Company Court must proceed with the winding up, instead of transferring the proceedings to the NCLT to now be decided in accordance with the provisions of the Code. Whether this stage is reached would depend upon the facts and circumstances of each case.”

3. Considering the position of law as explained by the Supreme Court in the case of **Action Ispat and Power Pvt. Ltd. Vs. Shyam Metalics and Energy Ltd.**, the

petition will have to be transferred to NCLT, Mumbai for disposal in accordance with law. Hence, following order.

ORDER
