son was arrested and the vehicle of the petitioner was seized by the respondent Police relating to the case in Crime No.354 of 2023 for the alleged offence punishable under Section 379 of IPC. The said vehicle is kept in the custody of Police in open space in the Police Station. If the vehicle is kept in an open space, the value of the same will diminish over the period of time. Therefore, he prayed for return of the vehicle.

4. Mr.A.Gopinath, learned Government Advocate (Crl.Side) appearing for the respondent did not raise any serious objection to return the vehicle to the present petitioner.

5. At this juncture, it is relevant to refer a decision of the Hon'ble Supreme Court in ***Sunderbhai Ambalal Desai and others Vs. State of Gujarat in Special Lave Petition (Crl.)2745 of 2022 dated 01.10.2002***, wherein, the relevant portion is extracted hereunder.

“In our view, whatever be the situation, it is of no use to keep such seized vehicles at the police stations for a long period. It is for the Magistrate to pass

appropriate orders immediately by taking appropriate bond and guarantee as well as security for return of the said vehicles, if required at any point of time. This can be done pending hearing of applications for return of such vehicles.

In case where the vehicle is not claimed by the accused, owner, or the insurance company or by third person, then such vehicle may be ordered to be auctioned by the Court. If the said vehicle is insured with the insurance company, then insurance company be informed by the Court to take possession of the vehicle, which is not claimed by the owner or a third person. If insurance company fails to take possession the vehicles may be sold as per the direction of the Court. The Court would pass such order within a period of six months from the date of production of the said vehicle before the Court. In any case, before handing over possession of such vehicles, appropriate photographs of the said vehicle should be taken and detailed panchanama should be prepared.”

6. Considering the fact that keeping the vehicle idle in an open
