height should be 170 c.m. Therefore, he was found to be selected in the physical measurement test. Once again, the petitioner was called for measuring of height by digital mode. In the digital measuring, the height of the petitioner was found as 168.2 cm and he was disqualified. The petitioner preferred an appeal before the second respondent for re-measurement of his height. There were three measurements shown, while measuring his height. On that ground alone, the petitioner was disqualified to the post of Grade II Police Constable/Grade II Jail Warden and Fireman. Hence, this writ petition.

4. The learned counsel for the petitioner restricted his prayer that the case of the petitioner may be referred before the Medical Board to measure the correct height, since there were three measurements, while measuring his height by manual and digital mode.

5. Though the petitioner challenges the order of disqualification, this Court is inclined to direct the petitioner to appear before the Regional Medical Board, Government Rajiv Gandhi Medical College and Hospital, Chennai, within a period of two weeks from the date of receipt of a copy of this order. The Dean, Regional Medical Board, Government Rajiv Gandhi Medical College and Hospital, Chennai, is directed to measure the height of the petitioner and give report.
