2. The fifth respondent school is run by the “Franciscan Sisters of St. Joseph”. The said congregation is registered as a society under the Society Registration Act, 1860. It is a Catholic religious congregation and the said society is administering a number of educational institutions. All the educational institutions run by the society are minority educational institutions under Article 30(1) of the Constitution of India.

3. The petitioner was appointed as B.T. Assistant (English) by the fifth respondent school with effect from 06.01.2020 in the vacancy arising out of retirement of one R.Usha Rani on 31.12.2019 and she was relieved from the fifth respondent school. As it is a higher secondary school, the vacancy can be filled only with B.T. Assistant post. It is a sanctioned post and as such the petitioner was appointed as B.T. Assistant (English) in the fifth respondent school with effect from 06.01.2020.

4. Thereafter, a proposal of the appointment of the petitioner was submitted by the fifth respondent school for approval by the

W.P.No.7542 of 2022

proceeding dated 07.12.2020. However, the fourth respondent returned the said proposal on 28.06.2021 by raising various quarries. That apart, in view of the stay granted by this Court to the new appointments, by an order dated 09.04.2019, no appointment was approved by the third respondent. Thereafter, the fourth respondent by his communication dated 28.06.2021 rejected the proposal sent for approval to the appointment of the petitioner.

5. Heard the learned counsel appearing on either side and perused the material placed before this Court.

6. On perusal of the counter affidavit revealed that when there is surplus posts available in the cadre of B.T. Assistant (English), no direct recruitment should be made. Further only teacher with TET qualification alone has to be appointed as Secondary Grade or B.T. Assistants and any exemption from TET is not applicable to them. Further, the petitioner has not possessed TET qualification.

W.P.No.7542 of 2022

7. On perusal of records revealed that the fifth respondent school categorically submitted that there is no surplus teacher post in the educational agency of the fifth respondent school. Further, in pursuant to the interim order dated 09.04.2019, passed by the Division Bench of this Court in W.A.(MD).No.76 of 2018 etc., batch, the government passed order in G.O.Ms.No.165, School Education Department dated 17.09.2019, with regard to staff fixation. However, it was challenged and the said government order was suspended by the Hon'ble Division Bench of this Court by an order dated 20.09.2019 and the G.O.Ms.No.165, was declared to be inoperative and the authorities have to approve the appointment of the petitioner.

8. That apart, the Hon'ble Division Bench of the Court by an order dated 31.03.2021 in the batch of writ appeals in W.A.(MD).No.76 of 2018 etc., held that, insofar as the minority institutions are concerned, if it is a stand alone institution, their right of appointing a teacher in a vacancy within the sanctioned strength for the academic year 2021-22 shall not be affected because of the identified excess teachers in other schools. At the same time, even if the school is a minority institution,

W.P.No.7542 of 2022

however being administered by a joint management or corporate management, in respect of those schools, even though vacancy arose within the sanctioned strength of such school or schools under corporate management or joint management, those vacancies shall not be filled up unless the excess staff identified in all other schools under the same corporate or joint management are exhausted fully and only after exhausting the redeployment process on all excess teachers identified in the group of schools under the same corporate management, they shall be free to make appointment afresh from open market in the vacancy if any still, within the sanctioned strength.

9. Therefore, the reasons stated by the fourth respondent while rejecting the proposal sent for approval to the appointment of the petitioner cannot be sustained and it is liable to be set aside. Though the fifth respondent school has total strength of above 2000 students, the sanction strength of teachers is very less. That apart, in the fifth respondent school management, no surplus teachers are available.

10. In view of the above discussion, the impugned order dated

W.P.No.7542 of 2022

25.06.2021 in O.Mu.No.3512/AA1/2021, on the file of the fourth respondent is hereby set aside and the fourth respondent is directed to approve the appointment of the petitioner in the post of B.T. Assistant (English) with effect from 06.01.2020 with all monetary and service benefits, within a period of eight weeks from the date of receipt of a copy of this Order.

11. With the above directions, the Writ Petition stands allowed. Consequently, connected miscellaneous petitions are closed. There shall be no orders as to costs.
