for the respondents would submit that orders will be passed by the first respondent on its own merits.

3. Considering the limited scope of the relief sought, there shall be a direction to the first respondent to consider the representation of the petitioner dated 14.02.2024 on its own merits and strictly in accordance with law, by giving an opportunity of being heard to the petitioner, and dispose of the same within a period of two months from the date of receipt of a copy of this order. If the first respondent finds that the land is really a water body, the authorities have to ensure that such water body is not disturbed.
