[Order of the Court was made by **R.SURESH KUMAR, J.**]

Already conditional order of stay was made in CMP.Nos.5380 & 5387 of 2022 directing a payment of 20% of the disputed tax, failing which, the interim stay was to stand vacated. However, the condition was not complied by the petitioner-assessee in time. It was however complied belatedly after the delay of 192 days. CMP.Nos.5421 & 5424 of 2023 were allowed by co-ordinate Bench of this Court dated 09.03.2023, condoning the delay.

2. Since the conditional order has been complied by the petitioner and delay has also been condoned, we are of the view that the stay granted already in CMP.Nos.5380 and 5387 of 2022 on 05.07.2022
