respondent police, the second respondent police shall call the parties for enquiry and at that time, it is left open to the petitioners in the recall petition to submit all the relevant documents pertaining to the earlier complaints given and closure of the same. The same will be considered by the respondent police at the time of enquiry. It is made clear that the order passed in the writ petition does not give any fresh cause of action and the second respondent will consider the case based on the materials that are furnished by the respective parties. This observation will sufficiently take care of the apprehension raised by the petitioners in this petition.

This miscellaneous petition is disposed of in the above terms.
