This writ petition has been filed seeking a direction to the second respondent to consider the representation dated 08.09.2011 for revision of his seniority on merits and in accordance with law within a stipulated time.

2.Heard learned counsel for the petitioner and learned Government Advocate (Taxes) for the respondent and carefully perused the materials available on record.

3.The petitioner was recruited as Assistant Commercial Tax Officer in the year 1958. Thereafter, he was promoted as Deputy Commercial Tax Officer in the year 1964. Thereafter, he was promoted as Assistant Commissioner in the year 1979 and having been in the said post for 11 years and retired on attaining the superannuation on 31.05.1990. After 21 years of retirement, he wake up and has submitted a representation dated 08.09.2011 to the second respondent requesting for revision of seniority and the merits in the cadre of Joint Commercial Tax Officer.

4.The learned counsel for the petitioner contends that at that stage, the claims of the inter se officials and directly recruited Joint Commercial Tax Officers have to be considered. But, without considering the same, the inter se officials seniority was

decided. Due to that, the rightful seniority of the petitioner has not been duly considered at the relevant point of time.

5. On the other hand, the learned Government Advocate (Taxes) contends that the petitioner retired in the year 1990 on attaining the superannuation and only after 21 years, he raised a objection for seniority in the cadre of Joint Commercial Tax Officer and as such, the request of the petitioner is impermissible under law and sought to dismiss the writ petition.

6. Having heard the submissions of the respective counsel and perused the materials available on record as the petitioner is seeking for consideration of his representation in accordance with law, in my considered view without going into merits of the case, it is appropriate to direct the second respondent to consider and dispose of the representation submitted the petitioner by following due process of law and in accordance with the applicable rules and regulations within the stipulated time to meet the interest of justice.

7. Accordingly, this writ petition is disposed of with a direction to the second respondent to consider and pass the appropriate orders on the representation dated 08.09.2011 of the petitioner in accordance with law by following the applicable rules
