C.S.No.143 of 2020

“The learned counsel for the plaintiff made the following endorsement:

“The suit is settled out of Court through mediation and hence not pressed’.”

2. It is seen that issues have not been framed and the parties had been relegated to the mediation process and during that process, there has been a settlement among the parties. Therefore, the plaintiff is entitled for refund of Court fees. The Registry may refund the Court fees to the plaintiff or to the counsel for the plaintiff on proper identification and undertaking. However, all the pending applications have not been listed in the cause list. The Registry may list all the pending applications in the cause list for the hearing date, 19.07.2024.”

2. Today all the applications are listed.

3. In view of the fact that the suit had been settled out of Court through mediation, the suit is dismissed as settled out of Court. No costs. Consequently, connected applications are also closed. The plaintiff is entitled to refund of Court fee in accordance with the rules. The Registry
