With the consent of both sides, this Writ Petition is taken up for final disposal at the admission stage itself.

2. This writ petition is filed to direct the second respondent to consider representation dated 25.01.2022 sent by the petitioner seeking to pay enhanced compensation payable to him for left over trees and to dispose of the representation of the petitioner within a date specified by this Court.

3. Heard learned counsel for the petitioner and the learned Special Government Pleader appearing for the respondents and perused the materials available on record.

4. The case of the writ petitioner is that the land of the petitioner has been acquired by the second respondent for a scheme of excavation of supply canal from Barur Tank East Main Canal to feed 33 tanks in Pochampalli and Uthangaral Taluks and after direct negotiation compensation amount has been received by the petitioner and sale deed has also been executed on 29.11.2021.

It is the grievance of the petitioner that while paying compensation, some of the trees in the land of the petitioner have not been taken into account. In this

regard, the petitioner has given a representation to the second respondent and the same has not been considered till date. Hence, the present Writ Petition.

5. It appears from the records that the land of the has been acquired by the Public Works Department after private negotiations and the petitioner has received the compensation and sale deed has also been executed on 29.11.2021. In such view of the matter, there is no scope for enhancement of compensation and giving a direction to the second respondent to consider the representation of the petitioner is nothing but a futile exercise.
