2. The learned Counsel for the appellant submits that the learned Single Judge committed an error while dismissing the Writ Petition. The appellant is the owner of a large extent of land. Adjoining the National Highway 205, the appellant owns approximately 4 acres of land in S.No.153 and the said land is subdivided into various subdivisions. Patta has been issued bearing No.1329. The respondents could not have formed a road.

3. We have considered the submissions canvassed by the learned Counsel for the appellant and gone through the order passed by the learned Single Judge.

4. The Clause No.7 of the conditions of assignment patta would reveal that the Government has retained the power and the right over the existing canals, roads etc., which were situated in the assigned land. It was further observed that the A-register relating to the said survey number shows that the area has been subdivided as road (Nilaviyal road) and the village people are using the pathway for more than 20 years.
