5. In the affidavit filed, the petitioner has put forth the reason of advanced age. It is seen that she is a senior citizen of quite advanced age. It is therefore stated that it would be practically impossible for her to come over to the Court to execute the bond. Specific power had also been granted to her daughter to apply and obtain the Letters of Administration.

6. In view of the same, this petition is allowed. Registry is directed to permit the power of attorney agent, after verifying the identity of the power of attorney agent, to execute the bond and to collect the Letters of Administration.
