PRAYER: Writ Appeal filed against the order of the learned Single Judge in WP No.26635 of 2018 dated 22.01.2024.

six respondent from engaging as educational consultant, who act contrary to the rules and regulations of second respondent. The writ court has considered the case of the appellant/petitioner elaborately and dismissed the writ petition by holding that the appellant/petitioner has not produced any such eligibility certificate and he has secured admission at his risk for which neither the Medical Council of India nor the Government of India can be blamed. If the appellant/petitioner has been cheated by an individual or any educational consultant or otherwise, he is at liberty to initiate appropriate actions in the manner known to law.

3. Therefore, we are of the view that the appellant/petitioner has not made out any case for giving a direction to the respondents 1 to 4 to take necessary action against the respondents 5 and 6. Further, the petitioner has already made a complaint to the fourth respondent to take necessary action against the respondents 5 and 6. If that being so, it is for the petitioner to pursue before the fourth respondent for taking further action for the complaint preferred by him.

4. With the above observations, the writ appeal stands dismissed.
