JUDGMENT

This appeal is preferred challenging an order of the Trade Marks Registry, rejecting the appellant's opposition to the registration of the trade mark of the 1st respondent.

2.The learned counsel for the appellant makes a statement on instruction that the registration of the 1st respondent mark has expired on 17.01.2017 and the same has not been renewed. The Memo dated 20.03.2024 to that effect too has been filed and it is recorded.

(OA/45/2011/TM/CHN)

3. In view of the same, nothing survives for consideration in this appeal.

This appeal accordingly stands dismissed as having become infructuous.

There is no order as to costs.
