ORDER

Heard the learned counsel for the petitioner and the learned Special Government Pleader accepting notice for the respondents.

2. The petitioner seeks for a direction to measure her property situated in S.Nos.135/1B, 135/2A and 166/2C and for marking the boundary stones. The petitioner claims that the property belonged to her mother and her mother had executed a settlement deed in the year 2012 and she had succeeded to the estate pursuant thereto. According to her, the boundaries have been adhered to by the petitioner and the neighbouring owners only on the basis of traditional method and till date, the Survey Department has not laid the boundary stones for the property. Hence, she gave an application on 13.2.2024 and sought for measurement of the property. On the basis of the application, she has also paid the necessary amount for survey as early as February 2024 and till date, as the survey has not
