ORDER

The petitioner herein seeks a direction to respondents to consider his representation dated 20.05.2022 requesting the respondents not to give electricity service connection to the general public in respect of the property situated in Survey No.473/C,"poramboke land" measuring an extent of 2.40 Acres at Kallapuram village, Udumalpet Taluk, Tiruppur District.

2. It is the case of the petitioner that she has been in possession and enjoyment of the above mentioned poramboke property for the past 30 years and in respect of the same, the petitioner instituted a civil suit against the revenue officials in O.S.No.99 of 2014 on the file of District Munsif Court, Udumalpet seeking declaration of title and other consequential relief. When the said civil suit is pending, the respondents herein made an attempt to give electricity service connection to third parties. Therefore, the petitioner

submitted a representation before the 2nd respondent on 20.05.2022 requesting him not to give electricity service connection to the third parties or general public. The said representation has not been considered. Hence, the petitioner is before this court.

3. Even according to the averments of the petitioner, she instituted a civil suit seeking declaration of title against the Government/revenue officials. The private individuals in whose favour service connections were requested are not impleaded in this writ petition. In these circumstances, this Court is not inclined to entertain the writ petition and grant any relief to the petitioner.

4. Accordingly, this writ petition stands dismissed. However, it is open to the petitioner to work out her remedy by filing appropriate interim application in the pending civil suit. No costs.
