3. The learned Standing Counsel appearing for the respondents submitted that the selection notification itself had categorically mentions that any certificate produced from the Medical Board or Government Hospital cannot be considered for the candidature's physical verification, such as height, chest, etc. Further, though the entire selection process was over, the result of the selected candidatures for the post of Grade II Police Constable/Grade II Jail Warden and Fireman 2023, is not published so far. The learned Standing Counsel appearing for the respondents relied upon the judgement of the Hon'ble Division Bench of this Court in W.A. No (MD) No. 1295 of 2015 dated 01.02.2016, in which it was held that on questions of facts, the decisions of the concerned authorities would be final. The ascertainment of the height of a candidate is for the concerned authority to decide and any external aid in this regard such as medical certificate cannot be looked into.

4. The learned counsel for the petitioner relied upon the judgement of the Hon'ble Full Bench of this Court in W.A. Nos. 8 to 12, 14 to 16, 23 and 24 of 2020 dated 29.01.2020 wherein it was held that a Writ Petition

During the measurement of the petitioner, the Committee was present and the height of the petitioner was duly measured.

5. In view of the above, the request made by the petitioner for modifying the order passed by this Court in W.P. No. 4298 of 2024 cannot be considered.

6. In the result, this Miscellaneous Petition is dismissed.
