ORDER

W.P.No.19521 of 2024

This writ petition has been filed for direction directing the respondent to pay the petitioner a sum of Rs.36,540/- towards interest for the belated payment of difference in Gratuity and difference in surrendered earned leave salary.

2. Heard the learned counsel on either side and perused the materials available on record.

3. In identical issues, this Court has passed various orders, justifying the payment of interest to the aggrieved pensioners and in the order dated 13.12.2019 in W.P.(MD) No.26481 of 2019, the following order came to be passed :-

“5. I am not in agreement with the said representation made. There was already a duty cast on the respondent Corporation to pay the terminal benefits on the date of retirement itself and the very fact that the belated disbursement of retirement benefit, had already put the retired employee to serious prejudice, entertaining the present request for disbursement of the interest on the belated payment in installments, could cause further prejudice to the retired employee.

6. In the light of the above observations, there shall be a direction to the respondent / Corporation to pay the penal interest at the rate of 6% per annum on the belated payment of the retirement benefits for the period from the date of the retirement, till the date of the actual disbursement, as expeditiously as possible and in any event, not before the expiry

of three months from the date of receipt of a copy of this order.”

6. With the above directions, this writ petition is disposed of. There shall be no order as to costs.
