2. Heard the learned counsel on either side and perused the materials available on record.

3. It is seen that the petitioner's request was already considered and the second respondent passed an order dated 12.01.2022 by treating the leave period as duty without any salary. Instead of challenging the said order, once again, the petitioner submitted a representation for the very same relief.

4. Therefore, the representation submitted by the petitioner cannot be considered and the writ petition is devoid of merits and is liable to be dismissed. Accordingly, this writ petition stands dismissed. No costs.
