ORDER

Though the Miscellaneous petition in WMP.No.27115 of 2024 has been filed seeking to fix an early date for disposal of the writ petition, in view of the consent expressed by the learned counsel on either side, the main Writ petition itself is taken up for final disposal.

2. The Writ petition has been filed seeking direction to the respondents 3rd, 5th, 6th and 7th Respondents to implement the Standard Operating Procedure (S.O.P) dated 19.08.2023 and to institute the system of direct advance payments towards stamping fees by the 5th, 6th and 7th respondents to the 3rd respondent to ensure timely calibration and stamping of all the fuel dispensing equipments at the dealer premises.

3. The case of the petitioner is that, the petitioner association acts as an interface between the individual dealers and the Oil Marketing

W.P.No.20328 of 2024

Companies (in short 'OMCs') and takes up common issues of the petroleum dealers to find timely resolutions for the same. Proper and timely calibration of Tank Towers/Prover Vessels at the OMC installations and delivery of correct quantities of products by the OMCs to the dealers are vital to the existence and viability of trade by the dealers. Moreover, the OMCs being Public Sector Undertakings, have a bounden duty to ensure transparency, fairness and non-exploitativeness towards their dealers. In this regard, a round table workshop was held by all the stakeholders on 09.06.2023 on the urgent need to implement the Standard Operating Procedure (in short 'S.O.P') dated 19.08.2023. However, till date the said S.O.P dated 19.08.2023 was not implemented by the respondents, despite several directions and only if the exercises are conducted as per procedures laid down in the said S.O.P, the lethargic attitude and the superior mindset of the OMCs can be controlled. In this regard, though the petitioner made several representations, the same evoked no response. Hence, this Writ petition.

4. Though very many grounds have been raised, the learned counsel for the petitioner submitted that, it would suffice, if this Court issues

W.P.No.20328 of 2024

direction to the 3rd respondent to implement the Standard Operating Procedure dated 19.08.2023 within the time stipulated by this Court.

5. On the above said contentions, heard learned counsel appearing for the respective respondents and perused the materials available on records.

6. In view of the limited request made by the learned counsel for the petitioner, this Court, without going into the merits of the case, directs the 4th respondent to take effective steps to implement the Standard Operating Procedure dated 19.08.2023 within a period of six months from the date of receipt of a copy of this order, after considering comments from the OMCs, if there is no legal impediment.

7. With the above direction, this Writ petition stands disposed of. No costs. Consequently, the connected miscellaneous petitions are closed.
