3. On going through the records, it is seen that the petitioner had joined in the year 1990 as a part time Sweeper for a consolidated pay. He has ultimately retired in the year 2018. All of a sudden in the year 2024, a representation is made to the respondents seeking for time scale of pay. The petitioner never took any such efforts when he was in service and petitioner suddenly woke up from a deep slumber and he is trying to take advantage of the orders passed for the others who had approached the Court on time and had got the benefits. The relief sought for by the petitioner is hit by latches.

4. In view of the above, this writ petition stands dismissed. No Costs.
