Apart from that, by way of koorchit dated 22.01.1953, they acquired 1.32 acres from three persons respectively and thereby, they are entitled to 5.28 acres. However, patta has been now granted in favour of the third party for the entire extent. Hence, the petitioners gave a representation to the 1st respondent to survey and to mark boundaries and subdivide and grant separate patta in favour of the petitioners. However, the same has not been considered by the 1st respondent. Hence, the present Writ Petition.”
