2. When the matter came up for admission, Mr.S.Kamadevan and Mr.Ilamaran represented that the civil revision petitioner and the respondent have decided to part ways and proposed to file an application under Section 13B of the Hindu Marriage Act, 1955.

3. Taking into consideration the request made by both the counsels, I adjourned the matter to today.

4. When the matter was taken up, both the counsels in unison, on instruction from the parties who are present in the Court, would submit that the parties have filed a petition under Section 13B of the Act. The said petition is numbered as HMOP.No.3948 of 2024. Therefore nothing remains to be adjudicated in the present civil revision petition except for recording the fact that the application under Section 13B would be processed as per the statements made by the counsels and the parties today.

5. At this stage, Mr.S.Kamadevan as well as Mr.Ilamaran would state

that on account of the pendency of the civil revision petition, they had not moved an application for dispensing with the mandatory period of separation. The parties would make a statement to the Court that they had been separated from 2018. If an application is filed to dispense with the cooling-off period, the learned Family Judge is requested to consider the same positively.

6. With the above observation, this civil revision petition is dismissed as infructuous. No costs. Consequently, the connected miscellaneous petition is closed.
