ORDER

The petitioner herein has completed his super-speciality course in M.Ch. Urology from Madras Medical College between June 2019 and May 2022. At the time of his joining the course, he had executed a bond wherein he had undertaken to serve the Government Hospital for a period of two years.

bond will commence immediately on the completion of the course. Therefore, the petitioner should be serving from June 2022 to May 2024. Now, 19 months have elapsed. As of today, only five months remain to be served.

3. In the meantime, the petitioner has served under Covid special duty for 178 days and in terms of the ratio in ***Dr.Jayakrishnan M.P. v. The State of Tamil Nadu***, [W.P. No.26556 of 2022, dated 02.02.2023] and followed by me in ***Dr.Patil Mandar Pradip and another v. State of Tamil Nadu***, [W.P. No.22894 of 2023 dated 09.08.2023] the period during which the petitioner has been prosecuting his post-graduation or a super speciality course must be given credit against the bond period. Inasmuch as the petitioner has served nearly six months, the entire bond period has already expired. In other words, the petitioner is discharged of any obligation to serve in terms of the bond that he had executed. Accordingly, the second respondent is directed to return the original certificates submitted by the petitioner at the time of his admission to M.Ch. Urology, forthwith.

4. In fine, this writ petition stands disposed of with the above direction. No costs.
