for the COVID 19 duty rendered by the petitioner in accordance with G.O.Ms.No.107, Health and family welfare (C1) department, dated 26.04.2024 and add the same to the marks obtained by the petitioner in the written examination and for a consequential direction to select and appoint the petitioner to the post of Pharmacist.

2.Heard the learned counsel for the petitioner, learned Standing Counsel for respondents 1 & 2 and the learned Special Standing Counsel for respondents 3 to 5.

3.The short issue that arises for consideration in this case is as to whether the petitioner is entitled to the incentive marks as per G.O.Ms.No.107, Health and family welfare (C1) department, dated 26.04.2024 and as to whether the same will have to be added to the marks obtained by the petitioner in the written examination.

4.The Notification dated 10.08.2022 was issued by the Medical Services Recruitment Board (MRB) by inviting applications for direct recruitment on temporary basis to the post of Pharmacist in the Tamil

Nadu Medical Subordinate Service. The educational qualification prescribed was that the candidate must possess a Diploma in Pharmacy or Bachelor of Pharmacy or Pharm.D. The candidate must also be registered with the Tamil Nadu Pharmacy Council.

5.The process of awarding incentive marks started after the Government issued G.O.Ms.No.278 dated 17.08.2023 pursuant to the directions issued by the Hon'ble Supreme court, Notification of the Central Government dated 03.05.2021 and the interim order passed by this Court in W.P.No.20742 of 2023. Initially it covered only the Doctors / Medical Officers who worked in the Government Medical Institutions during the COVID pandemic. Thereafter, it was extended to others and by virtue of issuing G.O.Ms.No.107, Health and family welfare (C1) department, dated 26.04.2024, the Pharmacists who have worked in the Government Medical Institutions during the COVID pandemic period were covered.

6.The petitioner submitted his application and he also wrote the written examination. The petitioner obtained 61 marks in the written

examination. The petitioner belonged to Backward Class (BC) community.

7.The specific case of the petitioner is that he had worked in the Contrl Room in Collector Office,Villupuram District, during the period from 01.03.2020 to 31.05.2022 (27 months) as Pharmacist. Therefore, the petitioner is claiming for incentive marks as per G.O.Ms.No.107, Health and family welfare (C1) department, dated 26.04.2024.

8.The petitioner was not given any marks towards incentive marks. According to the petitioner, he is entitled to 5 marks as incentive marks. The petitioner is desperately wanting the incentive marks to be added in order to bring himself within the zone of consideration since he is falling short of the cut off mark fixed by the Board at 65.58 marks.

9.The main ground that was urged on the side of the respondents is that the COVID duty certificate has been signed by the Block Medical Officer and counter signed by the District Health Officer and whereas, the requirement under G.O.Ms.No.107, Health and Family Welfare (C1)

W.P.No.22231 of 2024

Department, dated 26.04.2024 is that it must be counter signed by the Deputy Director of Health Services. It was further contended that the petitioner was rendering duty in the Control Room of the Collector Office, Villupuram and not in a Government Medical Institution.

10.It is true that G.O.Ms.No.107, Health and Family Welfare (C1) Department, dated 26.04.2024 states that the counter signature must be obtained from the Deputy Director of Health Services and whereas, the counter signature has been affixed by the District Health Officer. The District Health Officer is in the cadre of Deputy Director of Health Services. That apart, through proceedings dated 08.05.2024, the Director of Public Health and Preventive Medicine, Chennai, has clarified that the certificate can be counter signed by the concerned District Health Officers. This clarity was given by referring to G.O.Ms.No.107, Health and Family Welfare (C1) Department, dated 26.04.2024. It is therefore, quite apparent that the COVID duty certificate issued is perfectly in line with the concerned Government Order and it does not lack credibility just because it has been counter signed by the District Health Officer, who is the authorized person as per the proceedings dated 08.05.2024.

11.The petitioner in this case was rendering his services during the COVID-19 period in the Control Room of the Collector's Office, Villupuram District. The copy of the proceedings of the District Collector dated 26.03.2020 shows that the petitioner was specifically allotted with work to deal with the drugs / consumables for Hospitals, supply chain management and maintenance of stock at the store room both for the Government and for Private Hospitals. It is therefore evident that the petitioner was very much involved in the work of Pharmacist during the entire COVID period. He was dealing with Hospitals and just because it is mentioned as Control Room, that does not take away the fact that the petitioner was in continuous contact with all Hospitals by supply of drugs / consumables, etc.,.

12.In view of the above, this Court holds that the petitioner is entitled for 5 marks as incentive marks, since, the petitioner has served for 27 months as a Pharmacist during the COVID-19 pandemic and which is evident from the COVID duty certificate issued by the competent authorities. The petitioner has secured 61 marks in the written examination and the petitioner comes under the Backward Class (BC)

W.P.No.22231 of 2024

community. The cut off mark for Backward Class (BC) community candidate is 65.58 marks. Since the petitioner will be entitled for 5 marks as incentive marks, he will get a total of 66 marks, which will bring the petitioner within the zone of consideration.

13.In the result, there shall be a direction to the 1st respondent to add 5 marks as incentive marks to the petitioner along with the marks obtained by the petitioner in the written examination. This direction shall be complied forthwith. The same shall be communicated to the 5th respondent. The 5th respondent shall permit the petitioner to participate in the counseling if the petitioner is otherwise eligible and consider the appointment of the petitioner to the post of Pharmacist. Accordingly, this Writ Petition is allowed with the above directions. Consequently, the connected Miscellaneous Petitions are closed. No costs.
