ORDER

The petitioner herein seeks a direction to the respondents to disburse full compensation amount as per the award in No.99/2021, dated 09.08.2021. The main grievance of the petitioner is at the time of calculation of the award amount, the land acquisition officer deducted 33.33% of the value of the land towards developmental charges. The award by the land acquisition officer was passed on 09.08.2021. If the petitioner is aggrieved by the deduction of 33.33% towards developmental charges, he should have sought for reference within time allowed by law. He has not sought for any reference but challenging the award, the present writ petition has been filed seeking a direction to the respondent to disburse the compensation amount without deduction of developmental charges. When the petitioner failed to question the deduction of developmental charges by seeking reference, this Court is not inclined to entertain the writ petition.
