### **ORDER**

The representation given by the petitioner to demolish the wall in front of the property of the petitioner herein and permit him to fix iron grill gate.

2. The present writ petition is filed to issue direction to the police and the District Collector to consider the representation.

3. The learned counsel appearing for the petitioner submits that there is a dispute between petitioner and the fifth respondent who claimed himself as the Secretary of the Flat Owner's Association. The compound wall put up in the Udhayam Colony building disturbs the petitioner from putting up a grill gate for the safety of his premises. However, the fifth respondent who claims himself as the Secretary of the Association prevents him from putting up compound wall.

4. This Court finds that the representation and the relief sought, is

purely civil in nature. Hence, the police cannot interfere in this matter. A compound wall is not only meant for the petitioner, but all the other tenements in the flats. Therefore, if at all he needs any relief, it can be resorted only through civil proceedings.

5. With the above observation, this writ petition is dismissed. No order as to costs.
