2. The Power of Attorney alleged to have been executed in the year 2004. The respondent police therefore, to ascertain whether at all any commission of cognizable offence made out on the complaint given by Subashini, had summoned both the complainant and the petitioner herein to appear on 26.08.2024. However, none appeared before the respondent police. The petitioner is before this Court stating that the respondent police is trying to interfere in the civil dispute between brother and sister.

3. One Mr.Sridharan, claiming to be the counsel for the defacto complainant intervened and submits that there is a cognizable offence made out on the complaint given by Subashini and therefore, police has to investigate the case.

4. However, on reading of the complaint and the nature of the dispute, this Court finds that it is a purely civil dispute in the property left by the parents of the defacto complainant and the petitioner and therefore, the police shall not harass the petitioner herein under the guise of enquiry in the civil dispute.
