ORDER

[Order of the Court was made by **S.M.SUBRAMANIAM, J.**]

The present review application has been filed seeking review of our order dated 18.03.2024 passed in W.P.No.29686 of 2019.

2. The grievance of the review applicant is that on the date of final hearing of the writ petition on 18.03.2024, the counsel for respondents 6 to 9

Review Application No.174 of 2024

was not in a position to appear and place their respective submissions.

3. Mr.C.Prakasam, learned counsel for the review applicant would now submit that the writ petitioner itself is an encroacher of Government property.

4. We have clearly stated in our order that the respondents 1 to 4 in the writ petition are directed to remove all the encroachments in the road poromboke and maintain the public road, free from encroachments. Therefore, it is needless to state that all encroachers in public road are to be removed by following due procedures.

5. Since we do not find any error apparent warranting interference by exercising our review jurisdiction, the present petition deserves no further consideration. Consequently, the Review Application stands dismissed. No costs.
