ORDER

This writ petition has been filed challenging the proceedings dated 27.11.2021 whereby the petitioner herein was transferred from Thiruthani to Chengalpet Depot on the ground that the said transfer was effected for extraneous circumstances and not on administrative grounds.

2. This Court, while entertaining the writ petition, passed an interim order dated 23.12.2021 staying the operation of the impugned order. As a result, the petitioner has been continuing in the Thiruthani depot for all these years.

3. It is alleged that the petitioner being a Joint Secretary of Kanchipuram region in ATP Union raised protest against certain administrative actions and as a result of the same, to take revenge against the petitioner, the impugned transfer order came to be issued.

4. In view of lapse of more than three years, since the date of impugned order, this Court is of the considered view that there is no necessity to examine the matter on merits at this stage as the transfer is an exigency of service and it is a prerogative right of the employer to effect transfer for better administration of the organisation. Hence, it is always open for the respondent Organisation to take a call on the necessity to transfer the petitioner from Tiruttani to any other depot from time to time.

5. In the light of the above, this Court is of the considered view that it would be in the interest of justice to leave it open to the respondent Organisation to take a fresh call on the necessity of petitioner being transferred from Thiruthani to any other depot in the present circumstances.

6. In the light of the above, without going into the merit of the case, the impugned order is set aside, in view of lapse of more than three years, leaving it open to the respondent Organisation to take a fresh call on the necessity of the petitioner being transferred to any other depot in the interest of the administration of the organisation.

7. Accordingly, the writ petition is disposed of and the connected
