By these applications, the petitioner seeks to amend the long and short cause title and the statement of address with regard to the respondent. In the affidavit in support of these applications, the applicant states that the first respondent pointed out that the said respondent is a proprietary concern and that Mr.Kailashkumar Punmaji Mali is the sole Proprietor thereof. Hence, it is stated that these applications was filed.

2. Learned counsel for the first respondent opposes these applications on the ground that the petitioner was aware that the first respondent was a sole proprietorship and in spite of such knowledge, filed the petition with a wrong description of the first respondent. He also submits that an interim stay was obtained in these proceedings and that such order is causing great prejudice to the first respondent.
