These writ petitions have been filed challenging the proceedings of the 3rd respondent dated 20.09.2024.

2.Heard the learned counsel for the petitioners, learned Additional Government Pleader for respondents 1 to 4 and the learned Standing Counsel for the 5th respondent.

3.The grievance of the petitioners is that they have been engaged by the respondents on a regular basis from the year 2018 & 2022. The petitioners were depending upon the income that they were earning and entire livelihood of the family was dependent on that income. Attempts were made to terminate the services of the petitioner. Representations were made. In the mean time, proceedings were issued by the 3rd respondent dated 20.09.2024, which may result in the termination of the services of the petitioners. It is under these circumstances, the present writ petitions have been filed before this Court.

4.In the considered view of this Court, even as per the admission of the petitioners they have been engaged only on a temporary basis. The

same is evident from the appointment order that have been issued to the petitioners which clearly shows that the petitioners will be paid only a consolidated salary and that their services will be terminated at any point of time. In view of the same, the petitioners do not have the legal right to stay put with the temporary appointment given to them, since they were not holding any sanctioned post through regular recruitment process.

5.In the light of the above discussion, the relief that was sought for by the petitioners cannot be granted by this Court.

6.In the result, both the Writ Petitions are dismissed. Consequently, the connected Miscellaneous Petitions are closed. No costs.
