2. The learned counsel for the applicant would submit that the vehicle has not been located and only due to the said reason, the Advocate Commissioner could not repossess the vehicle.

3. No useful purpose will be served if this application is allowed to be kept pending. Therefore, this Application is closed. However, liberty is granted to the applicant to file a fresh application seeking for appointment of an Advocate Commissioner to repossess the vehicle from the respondent once the vehicle is located. Since the applicant had already paid the initial remuneration to the Advocate Commissioner, this Court shall consider retaining the very same Advocate Commissioner in the fresh application to be filed by the applicant once the vehicle is located.
