4. The learned Government Advocate (Crl.Side) would submit that due to some dispute in respect of drainage water, the petitioner threatened the defacto complainant by petrol bomb and one previous case is pending against the petitioner and further, considering the gravity of offence, he opposed for grant of bail to the petitioner.

5. Heard both side counsels and perused the materials available on record.

6. Considering the representation made on either side, considering the nature of offence charged against the petitioner, there is a dispute between the parties in respect of drainage water and considering already co-accused was released on bail and though the petitioner is having one previous case, in that case, he was released on bail and also considering the period of incarceration undergone by the petitioner, I am inclined to grant bail to the petitioner, subject to the following conditions:
