PRAYER: Writ Petition filed under Article 226 of the Constitution of India praying to issue a Writ of Certiorarified Mandamus calling for the records of the 4th respondent contained in its order bearing R.No.2745231/E7/A1/2022-118, dated 21.10.2023 and to quash the same as arbitrary, unjust and illegal and to consequently direct the respondents to treat the petitioner's two-year compulsory bond period as completed and to also consequently return the petitioner's original certificates and documents collected by the 5th respondent while admitting the petitioner to the super specialty degree course along with her super specialty degree certificate.

For petitioner : Mr.Suhrith Parthasarathy
For Respondents : Mrs.Geetha Thamaraiselvan
Special Government Pleader

ORDER

Heard Mr.Suhrith Parthasarathy, learned counsel for the petitioner and Mrs.Geetha Thamaraiselvan, learned Special Government Pleader for the State.

2. I have considered an identical prayer as in the present Writ Petitions in W.P.No.28238 of 2023 and have held as follows:

The petitioner is a Doctor, who had completed Post Graduation in General Medicine from KAP Viswanathan Medical College in the non service category. He had completed the course in May, 2022 and had, at the time of admission to the course, executed a bond for a sum of Rs.40 lakhs undertaking that he

would serve the State for a period of two years after completion of the course. The bond period, admittedly, runs till 31.05.2024.

2. Within a few months of commencing the course, the Covid 19 pandemic had struck and the petitioner, and, in fact several other identically / similarly placed candidates, were required to be on covid duty in R5 Hospital. Though no appointment orders could be issued seeing as the petitioner was a student then, his services during the covid period is not disputed as duty sheets for the service rendered have duly been produced by the petitioner and verified by the respondent counsel.

3. The question as to whether covid duty would constitute in-bond service is no longer res integra having been considered and accepted by two learned Judges in W.P.No.26556 of 2022 (decision dated 02.02.2023) and W.P.No.22894 of 2023 (decision dated 08.09.2023). In these cases, the petitioners were students who were required to perform covid duty during their course and this Court has held, and I concur with these decisions, that the covid duty rendered by the students should be taken note of as service during the bond period.

4. An additional question that arises in this case is as to whether quarantine relatable to covid period is also be taken as bond service. The period of quarantine is, in my considered view, nothing but an extension of covid duty itself as the Rules prevalent then required mandatory quarantine. The petitioner would well have continued with the duty in the covid ward itself has it not been for the mandate of compulsory quarantine. Thus, taking the period of quarantine also as on-duty, such period in this case is quantified as 150 days. On-duty call sheets duly signed by the Dean of R5 college have been produced by the petitioner. This will advance the closure of bond period to 02.01.2024 from 31.05.2024.

5. The petitioner's request for a mandamus directing the respondents to treat compulsory bond period as concluding on 02.01.2024 is accepted. R5 is directed, upon completion of bond

6. Allowed in the above terms. No costs. Connected miscellaneous petition is closed.

The issue of treating Covid duty as period of duty for the purpose of computing of bond service now stands settled categorically by virtue of an order passed by the First Bench in W.P.Nos25827, 25785 and 27568 of 2023, decided on 16.11.2023.

3. The discussion from paragraph 7 onwards is clear to this effect and reads as follows:

W.P.No.33413

by the State Government for the said purpose of performing COVID 19 duty in these wards which are set up as part of the disaster management, are categorised as Medical Officers.

7.1. It may be seen that both these temporary appointees as well as the Post~Graduate medical students are registered medical practitioners eligible to be appointed as Assistant Surgeons. Service to the Health Department, Government of Tamil nadu is governed by the Statutory Rules known as Tamil Nadu Medical Service Rules. It contains two parts namely, Branch~I Medical and Branch~II Nursing. As far as the medical cadre is concerned, as per Rule 2, it is divided into Civil Surgeon cadre and Assistant Surgeon cadre. All the entry level posts of Assistant Surgeon in the general line, Non~Clinical Lectures, Tutors / Assistant Professors, Clinical Lecturers, Senior Residents / Assistant Professors and the Women State Family Planning Officer are all grouped under the cadre of Assistant Surgeon. Thus, it can be seen that there is no such post as such called Medical Officer. But, the term Medical Officer is widely used in the rules to denote every registered medical practitioner appointed to any post. When it comes to deputing personnel for the Chennai City Police, they are called Medical Officers to the Chennai City Police. The Senior Residents are also termed as Resident Medical Officers. Similarly, the term Medical Officer is generally used in the context of referring to the person who is working in any capacity with the qualified medical degree (in common parlance, the Doctors working in the department).

4. Thus, the submission of the respondents to the effect that PG students were only been given 'training' and that such

service must be disregarded for computation of duty/bond period cannot be accepted. In light of the decision of the First Bench cited supra affirming the principle that the duty performed by PG students during Covid period must be taken as regular medical service.

5. The State has now issued G.O.Ms.No.371 dated 18.11.2023 directing that the term 'Medical Officers' mentioned at Para 5.1(i) of G.O.(MS.) No.278, Health and Family Welfare (B1) Department dated 17.08.2023 be replaced as 'Medical Officers including Post Graduate Students'. The authorities have been directed to issue certificates confirming the number of days when covid duty was performed by the students.

6. In light of the above, let such certificates be issued to the petitioners at least two days prior to the next date of hearing. List on 05.12.2023. Written instructions/counter, if any, by then with an advance copy to the petitioners.

4. The petitioner had received covid duty certificates in terms of G.O.Ms.No.371 dated 18.11.2023 and G.O.(MS.) No.278 dated 17.08.2023.

5. The details of the post-graduation courses completed by the petitioner and the number of days of covid duty rendered by the petitioner as per the certificates issued by the respondents, are as follows:

PETITIONER'S NAME	PG in :(September 2019 TO August 2022)	PG COURSE	DURATION OF COVID- 19 DUTY	DATE OF POSTING ORDER
Dr.Eveline Maria Jose	Thanjavur College	Medical Neurology	24.03.2020 to 31.03.2022 (2years and 7 days)	21.10.2023

6. In light of the above, nothing stands in the way of the petitioner being given the benefit of mandamus as sought, to treat the two year compulsory bond period as completed. In fact, she had rendered service in excess of the two years provided for under the Bond.

7. The petitioner is hence released from bonded Government service and there is a direction to the Deans of the Thanjavur Medical College, Thanjavur arrayed as respondent in the Writ petition to return her original certificates when the petitioner presents herself before them, forthwith.

8. The Writ Petition is disposed in the aforesaid terms. No costs. Connected Miscellaneous Petitions are closed.
