Challenging the check slip issued by the second respondent dated 02.9.2024 refusing the register the ratification deed dated 02.9.2024 presented by the petitioner and to issue a consequential direction to the second respondent to register the said ratification deed, the petitioner is before this Court.

2. Heard the learned counsel for the petitioner and the learned Additional Government Pleader accepting notice for the respondents.

3. The case of the petitioner is that the properties measuring 17 1/2 cents in S.Nos.74/1A1A and 75/16A1 situated at Veeraraghavapuram, Thiruthani Taluk, Thiruvallur District originally belonged to one Ms.K.Meenakshi by virtue of a settlement deed dated 18.2.2015 registered as doc.No.540 of 2015 on the file of the Sub-Registrar, Thiruvalankadu. She was in possession and enjoyment of the said property. She sold the said property to the petitioner vide sale deed dated 09.3.2023 registered as doc.No.626 of 2023 on the file of the same Sub-Registrar for a valid sale consideration. After the purchase, the petitioner has been in possession and enjoyment of the said property.

WP.No.36931 of 2024

4. While executing the said sale deed dated 09.3.2023, the four siblings of the petitioner were not available and by way of abundant caution, they executed a ratification deed dated 02.9.2024 in favour of the petitioner by paying the requisite stamp duty and the registration charges. However, the second respondent refused to register the same with the endorsement 'index not entered correctly'. Hence the writ petition.

5. In the considered view of this Court, there is a total non application of mind on the part of the second respondent. The second respondent totally overlooked the fact that the sale deed was already registered and the document now presented for registration is only a ratification deed executed by the siblings of the vendor of the petitioner by way of abundant caution.

6. In the light of the above, the writ petition is allowed, the impugned refusal check slip is set aside and the second respondent is directed to register the ratification deed presented by the petitioner within a period of two weeks from the date of its representation. No costs. Consequently, the above WMP is closed.
