According to him, since the dispute between the parties is civil in nature, they have closed the complaint given by the present petitioner.

4. The contention of the petitioner is that he purchased the property only from the third respondent and that the fourth respondent, who is no way connected with the property, had entered into a lease agreement with the respondents 5 to 7. Therefore, he contended that necessary action should be taken by the police in this regard.

5. A cursory look of the petition and the affidavit clearly shows that the matter in dispute between the parties is purely civil in nature and the police had rightly closed the complaint. The petitioner should approach an appropriate civil Forum, if so advised.

6. With the above observation, this Writ Petition stands disposed of. No costs.
