ORDER

WEB COPY This writ petition has been filed for issuance of writ of mandamus directing the first respondent to issue a fresh passport to the petitioner by considering the petitioner's application taken on file as File No. TR7066050226723.

2. Heard the learned counsel appearing on either side and perused the materials placed before this Court.

3. The case of the Petitioner is that the petitioner applied for the issuance of passport through his application No.TR7066050226723. On receipt of the said application, the first respondent issued a letter on 01.01.2024 calling the petitioner for enquiry and give an explanation about the Crime No.37 of 2019 pending on the file of the second respondent police station. The petitioner's application for grant of passport was not considered by the Passport Authority, on the ground that an FIR is pending as against this petitioner. Hence the petitioner has filed this Writ Petition for the relief stated supra.

4. The learned Deputy Solicitor General of India would submit that the Writ Petition is premature, as the Petitioner's application was neither rejected

nor closed, as on date. The petitioner was asked to appear before the first respondent for clarification about the pendency of the criminal case registered against him and the petitioner did not appear before the authorities, but had filed the present Writ Petition. Further, the first respondent could not proceed with the issuance of passport on the ground that FIR has been registered against the petitioner in Crime No.37 of 2019.

5. The learned Government Advocate appearing for the second respondent Police would submit that the petitioner has involved in a criminal case and that the crime being a heinous crime and hence, the authorities cannot issue passport to him. The petitioner is under criminal investigation and only after the completion of trial, the first respondent can decide the issue and pass appropriate orders.

6. The learned counsel appearing for the petitioner produced a decision of this Court in the case of ***W.Jaihar William and others .vs. The State of Tamil Nadu and others reported in 2014(2) CWC 684***, wherein, it has been observed as follows:

"8.....the applications submitted by the Petitioners for passport were not considered by the third respondent for the reason that FIRs are pending against them. The Superintendent of Police , Tirunelveli, has

W.P.(MD)No.1410 of 2024

filed counter affidavits stating that First Information Reports have been filed against the Petitioners for the alleged offences, stated supra, since they are involved in the agitation against the Koodankulam Nuclear Project. So far as the Petitioner in W.P(MD)NO.8349 of 2014 is concerned, the criminal case has been registered under Sections 147, 148, 294(b), 353 and 307 IPC. Since the FIRs are pending against the Petitioners, the third respondent has not considered the applications of the Petitioners, by placing reliance on section 6(2)(f) of the Passports Act, 1967. Section 6(2)(f) reads as follows:

*6. Refusal of passports, travel documents, etc---(i)....
(2) subject to the other provisions of this Act, the Passport Authority shall refuse to issue a passport or travel document for visiting any foreign country under Clause (c) of sub section (2) of Section 5 on any one or more of the following grounds and on no other ground namely:
(a) and (b).....
(f) that proceedings in respect of an offence alleged to have been committed by the Applicant are pending before the Criminal Court in India"*

It is well settled legal principle that mere pendency of FIR cannot be construed as pendency of Criminal Proceedings in respect of the offences alleged to have been committed by the Applicant before the Criminal Court. Only after the Court takes cognizance of the offence alleged to have been committed by the Applicant, as stipulated under Section 190 of Cr.P.C, it can be construed as "proceedings pending before the Court".

7. This Court and various High Courts had allowed the Writ Petition of this nature, on the ground that unless and until the Judicial Magistrate takes

W.P.(MD)No.1410 of 2024

cognizance of the offence, the respondents/Officials cannot mechanically refuse to issue passport to the parties, stating that FIR is pending and that mere pendency of FIR cannot be construed as pendency of criminal proceedings and the same cannot be a bar for issuance of passport to the parties concerned.

8. In view of the above settled position of law, this Court directs the first respondent to consider the application submitted by the petitioner in Application No.TR7066050226723, dated 11.12.2023, if it is otherwise in order and issue appropriate orders regarding issuance of passport to the petitioner, within a period of six weeks from the date of receipt of a copy of this order.

9. With the above direction, the Writ Petition stands disposed of. No costs.
